ELIGIBILITY FOR CLASSES In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression. Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:- A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled. Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of three consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results. Progression. Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade. To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows. Only a first place with a clear round completed within the course time set by the judge will count towards grade progression. Competitors will be allowed to walk the course set at Small, Medium, Intermediate or Large height without their dog(s) before the class begins. Competitors should follow Covid compliant course walking instructions. Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade. Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed. Standard Classes Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1 the two wins and points progression referred to in the definition apply to only one dog and not an accumulation of dogs. Grade 1 Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class. Grade 2 Open to dogs which are not eligible for Grade 1, or have elected to progress on points from Grade 1 and are not eligible for grades 3, 4, 5, 6, or 7. Grade 3 Open to dogs which have gained a minimum of two first places at Grade 2 at Kennel Club Licensed Agility Shows, one of which must have been gained in an agility (not jumping) classes, or have elected to progress on points from Grade 2 and are not eligible for Grades 2, 4, 5, 6 or 7. Grade 4 Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7. Grade 5 Open to dogs which have gained a minimum of four first places at Grade 4 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 6 or 7. Grade 6 Open to dogs which have gained a minimum of four first places at Grade 5 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 7. Grade 7 Open to dogs which have gained a minimum of five first places at Grade 6 at Kennel Club Licensed Agility Shows, three of which must have been gained in agility (not jumping) classes, and are not eligible

for Grades 2, 3, 4, 5 or 6. Special Classes Societies may schedule classes other than those defined above as "Special Classes". The eligibility for "Special" Classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-Ramp and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule. Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club Shows.

Veteran Jumping is for dogs 9 and over. Dogs entering Veteran and/or Anysize classes cannot enter any other classes at this show.

DOGS IN VEHICLES ON HOT DAYS Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air conditioned seriously consider whether travel is viable.
- The vehicle should be as fully ventilated as possible and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show and your dog is left in the vehicle regular checks must be undertaken to ensure the wellbeing of the dog(s).
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog always stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated and this could lead to dire results.
