# Basset Fauve De Bretagne

## 2022

Thanks to Mark Elliott and the committee for the kind invitation to award my first set of CC's in Basset Fauve De Bretagne. Although entries have been numerically low recently I was delighted with my entry of (21/24). All my winners had excellent breed type with strong, straight fronts and powerful hindquarters, I thank all the exhibitors for their entries.

### Puppy Dog (1,1)

#### 1) Jones Laserna's Greatest Showman

6 month old raw baby, typical head with kind expression, correct slightly oval eyes, ears set on level with eyes folding inwards, strong underjaw with correct scissor bite. Straight front, short muscular neck leading into good lay of shoulder. Harsh coat, level topline, tail set on high, moved with accuracy fore and aft. One to watch BPIB.

### Post Graduate Dog (1,1)

#### 1) Wheelers Mochras Flying Rocco

Typical lad with soft expression, dark eye, well set ears, correct bite, good forechest, short neck, harsh coat, level topline. Moved steadily.

### Limit Dog (2,2)

#### 1) Pennington's Mochras Ho Ho Ho

A boy I judged as a puppy and he did well. Still an impressive male with the most beautiful houndy head, soft expression, well set ears with inward curl, dark eye, strong underjaw with correct scissor bite, topline carried well on the move, strong hindquarters. Would prefer a straighter front to complete the overall picture.

#### 2) Revens and Hydes Napo Do Cal Da Paderna At Beabass (Imp Esp)

Workmanlike Hound with the darkest of eyes, ears set on well, good dentition, harshest coat of the day, level topline, carrying a little too much weight which I found affected his movement.

### Veteran Dog (3,3)

#### 1) Jones and Greggs Multi Ch Hibeck Pain Au Chocolat Avec Wrathembray

9 year old boy who is a credit to his owners, nice size and shape, typical moderately domed head, dark eye, well set ears, strong muzzle, correct bite. Short, stocky neck, well laid shoulders, good length of rib which is well rounded, correct topline and tailset, looked stunning in profile and his movement didn't disappoint. Could not deny him the Dog CC. Very worthy champion and great ambassador for the breed.

#### 2) Leech's Ch & Ir Ch Gavelkind Conquistador By Jamchala

Another I have judged before and awarded top honours. Nicely presented hound of a larger mould but all is in proportion, dark eye and kind expression. Straight front but would prefer more width and depth of chest, strong neck, level topline, excellent hindquarters, well handled to show of his attributes. Powered around the ring. Res Dog CC.

### Special Beginners Bitch (1,1)

#### 1) Horn and House's Mochras Marta

This little lady got a fright at a previous show and therefore was very anxious which left her difficult to assess. Very feminine head, dark eye, correct dentition, short neck, harsh jacket. Moved ok.

### Puppy Bitch (3,2)

#### 1) Thorntons Mochras Halo

8 Month Old baby, lovely shape and size but carrying too many excess pounds today. Typical feminine head and expression, short neck leading into good lay of shoulder, harsh coat, level topline, moved well. In better shape could have pushed the BPD harder for Best Puppy!

#### 2) Whiteheads Fauvehoy Gold Vandal

Very raw baby, quite narrow in muzzle, dark eye, dark nose, correct bite, moved ok.

## Junior Bitch (2,2)

### 1) Revens and Hydes Sofiya Do Cal Pa Paderna At Beabass (Imp Esp)

1 year old girl with beautiful expression, darkest of eye, well set ears, deep forechest although would prefer more depth, harsh jacket, level topline, moved out well.

### 2) Whiteheads Fauveahoy Ever Undaunted

Different type than 1 although many of the above points apply but would prefer stronger muzzle and tidier front.

## Yearling Bitch

### 1) Jones and Greggs Wrathembray Miss Brahms

Another very Feminine girl, nicely shaped head, dark eye, harsh jacket and level topline and correct tailset. Moved well.

## Post Graduate Bitch

### 1) Thorntons Mochras Marionette

Tidy, well sized girl with lots to like. Correctly shaped head with everything in the right place, strong neck, harsh jacket, level topline and tail set on high. Moved with ease.

### 2) Horn and House's Mochras Marta

This little lady got a fright at a previous show and therefore was very anxious which left her difficult to assess. Very feminine head, dark eye, correct dentition, short neck, harsh jacket. Moved ok.

## Limit Bitch (2,2)

### 1) Jones Laserna Fleur De Lys

Stunning headpiece, dark eye, correct ears placed level with eye, strong muzzle with correct dentition, muscular neck into nice lay of shoulder, dense jacket, level topline held on the move, strong hindquarters, moved well.

### 2) Jones and Gregg's Wrathembray Mabel Normand

Another nice bitch with soft expression, straight front, level topline, excellent hindquarters. Moved with style and accuracy. Preferred outline of 1 on stack.

## Open Bitch (1,1)

### 1) Mochans Ir Ch Basler Wisecrack

This bitch caught my eye on her first lap around the ring with her power from the hindquarters and excellent reach and drive. Feminine and houndy head, kind expression, darkest of eyes, good width of muzzle, muscular deep forechest, good layback of shoulder and harsh, well presented coat. Level topline, strong muscular hindquarters, could hunt all day. Bitch CC & BOB. Loved her.

## Veteran Bitch (1,1)

### 1) Jones Multi Ch Laserna Strom in a Teacup

Another Stunning Veteran of our breed, there is nothing I can say about this stunning girl that hasn't already been said. Pushed hard for the CC but just preferred movement of the Open Bitch Class on the day. Res Bitch CC, BV & Vet Grp 3.

## Roy Blevins (Blevwil)

## **Basset Griffon Vendeen (Petit)**

### **2022**

**SB** 1 Fordham's Elsie Monsieur Oakley, 3 years, masculine lad in hard condition, nice head and expression, pleasing front assembly, moderately angulated, harsh coat, good bend of stifle, moved with purpose.

**P** Headed by two littermates. 1 & BP, Scott's Overbecks Polly Gray, ultra feminine, lovely head, correct length of neck, well laid shoulders, well ribbed, good depth of chest, correct tailset, most together on the move of the 3; 2 Scott's Overbecks Tommy Shelby, longer cast than his sister, kind eye and expression, correct front assembly, correct earset, well bodied, tailset OK, was distracted today on the move; 3 Dane & Guernari's Cynetkoy's Tinker Tailor

**OD** 1 & BOB, McCartney's Ch Soletrader Freddie Mercury JW, worthy champion, masculine head, correct earset, scores in forechest, strong neck, well laid shoulders, well ribbed back, nice harsh coat, gives his all on the move with correct tailset; 2 & RBD, Reid's Vilaudens Magnificent Mile, recently gained his crown, unlucky to meet 1 in good form, deeper in body than the winner, nice dark eye, correct earset, good eye and earset, well sprung ribs, correct tailset and carriage, moved well; 3 Watson & Kenna's Alonzo Grande Cuore Mit Cynetkoy

**OB** 1 & RBB Cadmore & Major's Soletrader Flora Good Time, pretty bitch, good head and expression, correct earset, strong neck, well laid shoulder, good depth to body, scored on movement; 2 Scott's Soletrader Langham Rose for Overbecks, one I have admired from ringside, honest bitch who I felt could have put more in today, pleasing for size, feminine head, strong neck, sufficient for forechest, held topline, well ribbed, good bend of stifle, close up to 1; 3 Watson & Kenna's Cynetkpy Winter Romance

**V** 1 & BB, Cadmore's Ch Soletrader Rita Ora, 7 years, very deserving of her title and dam of the BOB and RBB. Excellent head and expression, correct earset, good reach of neck, well bodied, excellent coat, moved with drive carrying her tail correctly. Delighted to hear she went onto win the Veteran Group.

### 2022

Class MPD (2 Entries) Abs: 0

In this class I preferred the head and balance of 2, however he was rather unsettled and wasn't using his tail at all. Of course he's still young and has time to get his act together, but judging is on the day and performance matters.

1st: Bridgeman, Ms Diane & Logue, Mr Hughie. KINGSWIN BUG 'A' LUGS Blanket tri boy who was just a shade long in loin for my preference. He was good in quarters, upper arm, bone and feet. Pleasant head although a shade deeper in flew than I prefer. Moved out really well, using himself and enjoying his day.

2nd: Coates, Mr J & Coates, Mrs D. GLADSTYLE READY TO ROLL. Really smart puppy with good development in the rear. Strong in hindquarters and with plenty width over thighs. I would prefer more return of upper arm, but he has a good shoulder line and has a cracking topline and is well balanced throughout. His footfalls are indeed pretty good, he just needs to learn to like it all and enjoy himself. He's still got plenty of time to get it together.

Class PD (2 Entries) Abs: 0

1st: Beard, Mr John. KELLITCREED SWEENEY TOD. What a smart little package. He really pulled my eye when I first went over him, with his overall strengths in construction and movement. So much to like from his clean, balanced, well proportioned head, gentle expression with that bit of alertness about what was going on – he was cheeky and that too appealed. I liked him front, rear and topline. He has excellent ribbing, carried through to his short strong loin area which was well muscled up already. He has a cracking topline and his tail is bang on. He is well off for bone and with good feet. He is compact and has no exaggeration which I particularly liked. He moved with reach and drive in abundance, keeping a solid topline at all times. Everything flowed smoothly from one part to the next. He is young but fit and in hard condition. He certainly gave me the impression of a young hunter who was made well enough to do his job. His light effortless movement was delightful with enough schooling to compete as well as the seasoned ones pushing for the top awards. In the challenge I freely admit he'd gotten under my skin from his initial assessment. His fit for function, moderation, type and soundness with attitude secured him the Reserve CC today in really good company. I was pleased also to award him Best Puppy In Breed and see him later win Hound Puppy Grp 3.

2nd: Coates, Mr J & Coates, Mrs D: GLADSTYLE READY TO ROLL: (See. Minor Pup Report)

Class JD (3 Entries) Abs: 1

1st: Wenman, Mr M. WENANNOU WHITE THUNDER. Compact hound with excellent angulation fore and aft. He is well enough put together and has a good shape. Good in proportions, he is sturdy with a degree of elegance. He has a pleasant enough head with good eye and expression, although I would like a shade more length in fore face for ultimate balance, he has well placed ears. Nicely developed in hindquarters with good topline and tail set. He was a bit soft and fine in coat, however. Moved with some purpose.

2nd: Breeze, Mrs Elizabeth & Breeze, Mr Gerald. PARKEBREEWAY WYSEMAN. Rather strong in head for my desire and a shade longer in body than I prefer. He has very nice quarters, topline and tailset with good angulation in front and rear. He is well developed behind. A shade deeper in body than leg length. He has a correct coat.

Class YD (1 Entries) Abs: 0

1st: Jones, Mr TN & Jepson, Mr SA. EARDLEY SPECSAVERS. Most appealing head with dark eye and of correct shape and excellent pigment. Balanced head. Good in upper arm and excellent quarters. Moved with plenty style and charisma. Balanced in proportions with good depth of rib. Tidy feet. Very nice attitude.

Class PGD (2 Entries) Abs: 0

Difficult class with both exhibits displaying different strengths and weaknesses.

1st: Cornell, Mrs S. FELINOAK DANNY BOY FROM BRONLLYS. Decent head proportions but would prefer a darker eye. Good length of upper arm, a shade steep in shoulder. Would prefer more development in width of quarters and bend of stifle but he was balanced front and rear and thus moved quite well.

2nd: Bell-Thomas, Mrs Sue & Thomas, Mr Alun. AMORPAPAVER JUPITER. Didn't quite put in the performance of 1, although I preferred him in eye. Has pleasant angulation but not quite the balance in body length to leg length that I prefer.

Class LD (5 Entries) Abs: 0

1st: Lewis, Mrs C. FALLOWFIELD VINCENT. Tri. Super fit hound of desired make and shape. Excels in breed type and is a cracking mover. Good in bone. Has an appealing head with pleasing eye and pigment. Excels in quarters and is strong and positive in topline and tailset. He puts it all in on the move. Showing himself well and at one with his handler. He moved effortlessly and with plenty reach and drive. I liked him very much.

2nd: Whitton, Miss J & Edge, Mrs E. JALHAR THE WONDER OF YOU AT HAGGATTY. This tri is another efficient mover of good shape. Strong well developed hindquarters which he used to power around the ring. Nice front assembly, straight and true when viewed from front. Good bone. A shade long from hock to heel. Would prefer a shade less in flew. Good ear placement. Overall nice shape.

3rd: Wright, Mr N & Mitchell, Mr L: HUNTSHILL UP TO TROUBLE

Class OD (4 Entries) Abs: 0

1st: Craig, Mr D R. CH DAVRICARD JACOB (AI). Tan/White dog. I'm sure there is little I can add to what has already been written about this fabulous hound. He screams quality as soon as you look at him and, of course, doesn't disappoint on the move either. Sturdy, compact and strong yet still retaining a degree of elegance. He is put down in the very best of order with superb musculature and in correct, quality coat, dense, waterproof as well as being shiny and sleek. He is dry throughout and has complimentary angulation front and rear. Good length of ribs, strong and well developed in loin. He is a pleasure to go over and he flows with every part fitting smoothly into the next. Solid and strong in topline with correct tail set. He has a very appealing head framed by his correct ear set and length and lovely expression. Standing on the best of bone and feet. He is the complete package and is blessed with that ultimate quality that quietly but surely demands to be noticed on the stack and continuing when he shows himself off on the move. Thank you for affording me the opportunity to go over this wonderful example. I loved him. DCC & BOB. Delighted to see him pull a strong Group 2 placing today.

2nd: Chapman, Mrs Theresa Mary & Chapman, Mr Andrew. GEMARK EYAS. Cracking little mover presenting a picture of balance all through. Excellent topline and tailset. Good angulation fore and aft. Strong in topline with really good ribs. Well put down and has a pleasing head but would prefer a darker eye.

3rd: Caple, Mrs Helen Jennifer. MORSEFIELD MUDLARK

Class VD (1 Entries) Abs: 0

1st: Anthony, Mrs H & Anthony, Mr I. OSPREAGLE HOT DIGGITY DAWG JW. Well-proportioned with good length, depth and spring rib. Good bone but would prefer tighter feet. Solid topline and good in underline. Good tail action on the move. Pleasant head with pleasing eye colour and shape. Moved well for his age in today's difficult weather conditions.

Class SBB (2 Entries) Abs: 0

Two extremes in this class – a young one and an older veteran girl.

1st: Langman, Mrs Sarah. MADIKA HIGH FLYER. Really nice shape, short from hock to heel. Good in upper arm. Would prefer a more solid topline. Pretty head with good expression, clean without excess. Good in hindquarters. Moved well. Best Sp. Beginners in Breed

2nd: Brownlow, Mrs J. BELLVALLEY DUNNIT. Level topline and good tail. Good length and depth of rib. Short loin but lacking a shade in muscle. Would prefer a more solid topline. A shade steep in shoulder. Moved ok on the around, a shade untidy going away.

Class MPB (2 Entries) Abs: 0

1st: Bridgeman, Ms Diane & Logue, Mr Hughie. KINGSWIN LOOKS LIKE TROUBLE. Tri baby who is well off for bone and with good feet. She has a good head and correct eye, with cleanness throughout. Good amount of stop and well placed ears. Moderate neck into good shoulder and front assembly. Deep in ribs, carried well back to short loin. Adequate angulation in rear and with enough width over thigh areas. Excellent topline and good tailset. Good in underline. Correct set on of tail and performing well already for a young one.

2nd: Langman, Mrs Sarah: MADIKA HIGH FLYER (See Sp.Beg report)

Class PB (4 Entries) Abs: 0

1st: Simkin, Mr & Mrs D & K. SIMELDAKA MARFA RIDGE. Best Puppy Bitch. My notes say 'gorgeous head and eye' - that's a good start when you come to the front of a dog for assessment. She had appealed already. She is very well made all through with good balance and proportions. I liked her height to length proportions and her solid topline and tailset. She used herself really well for one so young. Well placed shoulder with fullness in depth of brisket. Good in ribs, spring, length and depth. Strong in couplings and moderate angulation in rear with good development across first and second thighs. Moved out well, at one with her handler – so much to like already.

2nd: Coates, Mr J & Coates, Mrs D. GLADSTYLE TOO CLOSE TO CALL. Pretty girl who is just needing a bit more development in work and pigment, but I liked her proportions and kind eye and expression. Clean in lip and nothing exaggerated. She is nicely put together and is a tidy little mover. She is good in bone and feet and short from hock to heel. Really nice in hindquarters, good in upper arm, just a shade steep in shoulder. Moved with tidy enough footfalls.

3rd: Beard, Mr John: KELLITCREED COTTON CANDY

Class JB (3 Entries) Abs: 0

1st: Havard, Miss & Mrs LA & PJ. ANNAVAH PRINCESS TIANA. Superb head on this young tri girl, so typey and with lovely expression. Fully pigmented. Good amount of stop, clean in lip and correct planes and proportions. Well placed ears. Excellent topline continuing on to correct tailset. She has a super front both in shoulder and upper arm, as well as straight and true when viewed from the front. Well angulated forehead and with matching rear angles. Strong and wide in quarters with correct bone and feet. She has the best of ribbing and short in loin. She has super balance throughout and is put down in great order. Really appealed.

2nd: Craig, Mr D R. DAVRICARD MARCIA (AI). Most glorious head and expression, arched neck leading into good shoulder and upper arm. Straight and true in front with super well developed ribbing. Cobby, strong and sturdy yet still elegant enough. Level topline and good in croup into tailset. She is well developed in rear and is a tidy little mover. She is just a shade deep in body comparative to her leg length for my ideal. Moved at one with her handler and certainly is sound out, back and around. Put down in the very best of order in coat, muscle and condition.

3rd: Jones, Mr TN & Jepson, Mr SA & Jepson. EARDLEY CAUGHT IN THE ACT

Class YB (5 Entries) Abs: 2

1st: Havard, Miss & Mrs LA & PJ. CH ANNAVAH BUTTERCUP. Tan/White. Loved her for her overall type and shape. She is young and attractive as hell. Loved her expressive eye and super head. She has so much to commend in all departments. She has a superb topline, excellent front assembly and correlating rear end. Strong and solid, yet elegance throughout. She is super in balance for length to height proportions and in depth of body through to leg length. She is strong in pelvis and short from hock to heel. Super bone and feet. When she is fully mature in muscle she will be one to watch. I liked her on the move too. Full of type, a classy young hound.

2nd: Beard, Mr John: KELLITCREED'S BACK CHAT. Blanket tri. Upstanding, showy girl, just a shade longer than is my particular taste. She has a lovely head with dark expressive eye, dry and without excess, leading into arched neck, good in shoulder and upper arm although a shade wide through her front. Level topline, good tailset, short croup. Strong tail used well as she moved. Good in footfall out back and around.

3rd: Breeze, Mrs Elizabeth & Breeze, Mr Gerald. DUFOSSE HONESTLY OF PARKEBREEWAY.

Class PGB (5 Entries) Abs: 0

1st: Chapman, Mrs Theresa Mary & Chapman, Mr Andrew. GEMARK EMBER. Very pretty girl with the most pleasing head and eye. I liked her proportions and balance. Good in most departments. Solid and compact with a degree of elegance. Moved out really well as well as good out and back. She has great carriage and was very sound, putting in a good performance in today's heat.

2nd: Anthony, Mrs H & Anthony, Mr I. OSPREAGLE JAMAICA ME CRAZY. She is a bit deeper than I normally go for but her movement was attractive and I rewarded her for it. Excellent topline, tail and quarters, good in upper arm. Pleasing head. Lots to like. Moved well on the around.

3rd: Webster, Miss S C: MICHELROY PIMPERNELL WITH HOUNDSCOAST JW

Class LB (11 Entries) Abs: 0

1st: Beard, Mr John. KELLITCREED JESSICA BARKER. This young lady caught my eye as soon as I looked around the class. She had a very appealing outline and shape and really came together on the first run around for the exhibits collectively. She'd caught my eye and I was already interested to get to know more. She has a nice expression and good ear shape. I'd like her a shade less wrinkled in head but that's just one thing. I loved her through the body and her balance and proportions throughout. Super length to height and good in depth to leg length. Well placed shoulders and return of upper arm with good angulation. Well sprung ribs of good depth and length and good in loin area. Well muscled and solid, devoid of excess. Strong well developed rear. Short and strong in croup with correct strong tail carriage. She really used herself well and never stopped showing. Her side gait is tremendous, covering the ground with clean, sure footfalls. So much to like, she's got plenty of appeal.

2nd: Lewis, Mrs C. FALLOWFIELD ROYAL ROSIE. A typey tri girl with many particular breed attributes. Very appealing head with correct eye colour and good pigment. Solid and sturdy, strong and compact too. Well angulated fore and aft and good in rib. Stands on good bone and feet and is put

down in the very best of muscle and conditioning. She moves well out and shows plenty of enthusiasm. Preferred her in head to 1. Level topline, with well develop croup, used her tail well.

3rd: Whitton, Miss J: TABULA RASA OF HAGGATTY

Class OB (10 Entries) Abs: 1

1st: Craig, Mr D R. CH BAYARD GLORY BEE. Typey, houndy girl who is so full of class. She is solid and strong, yet devoid of any coarseness. I liked her for size and proportions and her overall construction was excellent. She stands on good legs and the best of feet. She put in a fine performance on the move, keeping her topline and super tail carriage at all times. As she moved it was so pleasing to stand away and enjoy my mind slightly wandering to 'feel' the similarities to my CC winning male. They were a definite pair, matching in construction and type. She is well angled fore and aft and has the best of ribbing. Short and strong in loin and with well-developed muscle throughout. I loved how she carried herself and I could almost see her in a pack doing a full days work – and then there's her pretty face. She has correct head planes, proportions, stop, eye colour and shape with appealing expression. Clean and dry without any excess – all adding to the classy girl she is. Strong and robust and she had plenty on her for endurance. Sound mover who is absolutely from the top drawer. Delighted to award her the CC today in good company.

2nd: Breeze, Mrs Elizabeth & Breeze, Mr Gerald. CH DUFOSSÉ DRAGONFLY OF PARKEBREEWAY JW. Quality tri girl who is nicely made. She has good angulation in front with complimentary in rear. Big in ribs and with strong level topline. Good in tailset and carriage, using herself well throughout her performance. She is good in topline and underline and has good depth. Quality bone and feet and with a pleasant headpiece. She is totally sound out and back and has plenty reach and drive, covering the ground well whilst maintaining her shape and topline on the around. Slightly long from hock to heel, but no dog is perfect and her continued performance certainly made up for this. She persisted in today's heat and never put a paw wrong. She pushed the limit winner all the way in the Challenge for reserve best bitch and succeeded with the RCC today.

3rd: Havard, Miss & Mrs LA & PJ ANNAVAH LADY GAGA

Class VB (6 Entries) Abs: 0

1st: McBain, Miss Samantha & Stevens, Mr Matthew. REDCAP BELLA SORELLA JW SH.CM VW. This girl is in fine order for her years. She is fit and in super muscle. Pleasing in angles front and rear and with enough ribbing through to muscular loin. She keeps a strong topline and has the very best of tailset. Her tail carriage is spot on and its so nice to see her moving with style and propulsion. Her head was a bit strong for my particular taste. She had plenty to like and I was pleased to make her Best Veteran in Breed today, to represent the breed in the Veteran Group.

2nd: Scarlett, Mrs N. TIMAMSO SASKIA FOR MICHELROY. Another good mover who has all the essentials of construction in front and rear. She is a shade deeper in body than I prefer in relation to her leg length which just spoils her overall balance for my eye, but she does move out well. Preferred her in head than 1, with overall balance just tipping my decision between these two heading this veteran class.

3rd: Brownlow, Mrs J. BELLVALLEY DUNNIT Judge: Diane Stewart-Ritchie

## Dachshund (Long Haired)

**2022**

P D/B. 1<sup>st</sup> Burley & Ways Swansford Almadora. 11month old red bitch, with a very pretty head, dark, correct almond shaped eyes, well shaped ear leathers and a good bite with large teeth. A sufficient length of neck is set into a good lay of shoulder and return of upper arm, and she has enough width in front with a good keel. A strong topline for her age, though she does tend to drop into her hocks when bored. Moved out well with power and style, though her tail carriage is bordering on too high at some points. Still all that said, a very attractive bitch. Bp & BB

2<sup>ND</sup>; Reid's Cavillibrook Final Legacy at Maudaxi. 6 month puppy giving alot away in maturity today. Lovely head with dark almond eyes and good leathers of sufficient length, along with a good bite with strong teeth. He scores in neck over 1, set into a good lay of shoulder and return, he has a well filled front and elbows carried tight to the chest. His topline whilst level in stance, is just a little roached while moving today, though im sure he will grow out of this. A nicely angled hind end with well let down hocks complete the picture, however he is standing a little cow hocked at present. Lovely and free on the move.

J D/B. 1<sup>st</sup>; Burley & Way's Swansford Archerdor. Shaded red dog who is a touch strong in head for my personal taste, however he has a lovely eye, good pigment and an excellent bite with large teeth. A well laid shoulder and return of upper arm and a good keel, but he is a bit narrow in front in stance at the moment. His topline is ok on the table but he has a habit of dropping behind the shoulder on the move. Well muscled rear with broad strong hocks, just a bit cow hocked, though he is still young.

PGD/B 1<sup>st</sup>; Rees' Sundayhill Blackberry. Black and Tan with a lovely head, dark well shaped eye, good leathers and correct bite. An excellent length of neck is set into good shoulders and upper arm. Unfortunately he stands a bit narrow in front for me, but he has a decent keel. A bang on topline with excellent tail set leads to a well angled hind end with well let down strong hocks, he moves soundly but was beaten for top honours by dogs with a bit more verve.

2<sup>nd</sup>; Wedge's Dolan Dock of the bay. 3 yo red dog, with a nicely shaped head, good pigment, leathers and bite. A nicely shaped neck is set into a good shoulder, but his upper arm isnt quite as good as 1, topline is good both in stance and held correctly on the move. Well angled behind, but a little narrow, both in stance and when moving.

3<sup>rd</sup>; Negus' Tarramist Vesper Lynd.

OD 1<sup>st</sup>; Price & Carters Zarcrest George Clooney. Fully mature 5yo red dog presented in excellent bloom. Strong head, with beautiful dark eye and well shaped leathers, good pigment and a correct full bite of large teeth. A good length of neck leads to a well laid shoulder and return of upper arm with good width between his legs and a decent keel. Elbows held tightly to a well sprung rib cage, his topline is strong and level with a good tailset, and his hind end is well angled and powerful. He moved out soundly and with some style, BD & B O B

2<sup>nd</sup>; Roberts' Ch Swansford Gregorydor, a very attractive 2yo male giving alot away in maturity. A nicer head than 1, with an excellent bite and good leathers, a well shaped neck is set into a great shoulder and return of upper arm, with a good keel and tight elbows. A level topline leads to a good set on of tail, and a well angled hind end with strong broad hocks. Unfortunately he has a tendency to crouch when stacked which rather spoils his otherwise lovely outline. He was probably the best mover of the day striding out with power and drive. Unlucky to meet 1. Res BD.

3<sup>rd</sup>; Wedge's Dolan Johnny be good.

OB 1<sup>st</sup>; Wedge's Foulksfollie Miss Miniver at Dolans. A 5yo mature bitch in full bloom. A nice head with good planes and a nice dark eye, sufficient leather and a correct bite with good sized teeth. A nice neck is set into an excellent front with enough keel and width between the forelegs. She has a good depth of rib cage and a strong level topline leading to a correct tail set and well angled hind end with broad hocks. Moved soundly, would have just liked a little more animation for the top spot. Res BB.

## Dachshund (Min Smooth-Haired)

**2022**

Firstly, I must thank the Committee for a very well organised show and for the friendly welcome that Judges are given.

Overall – the miniature smooths are ok – my one pet hate is dirty teeth.... I do not consider there is ANY excuse for this, and exhibits were penalised - which was a shame...

Weight seems to be an issue within the breed with a lot of exhibits being 13lbs +, I will say that weight is only 1 fault – BUT when you have scales it becomes quite alarming that they are not JUST over the 11lbs!! But WELL over. Temperaments have much improved since I last judged them, and conformation has improved – all be it that some looked super and were way over the weight.

My main winners were of a super quality and thrilled that one was awarded its title.

Special Beginners Dog 3

1st 3483 – Ms H Downie – Marvale Kingfisher. Just 6 months old – a little unsure to begin with but a lot to like. Super front with lovely tight elbows. Good shoulder placement flowing into good length of rib and correct loin. Nice rear angulation – moved well when on a loose lead. BPD

## 2022

I would like to thank the officers and committee for this appointment, I had looked forward to it for quite some time. I was delighted for the Association when I received my entry – 151 dogs making 171 entries - superb especially with all the travel necessary for exhibitors. In addition I had only 16 absentees. This was very much appreciated so thank you all.

I found that it was not just quantity but quality that awaited me with many classes closely contended. It was a real pleasure to find that I gave both dog and bitch their titles on the day and when they stood together in the challenge they were like two peas in a pod for type. I was delighted to see the bitch rewarded with Group 4 - very well done in a strong group. The puppy was shortlisted in the group and the special beginner being placed SB Group 2 - again well done.

I must also thank my stewards Jan and Jemine for their help on the day which was needed to get through this wonderful entry.
