I'd like to thank the committee of Paignton for the invitation to award my first set of Challenge Certificates, the stewards that kept everything running smoothly and not forgetting the exhibitors that entered under me. Thankfully I found no cracked pads and I was very happy with my main winners, but dental hygiene was an issue with a lot of the exhibits, as was close rear movement, lack of musculature and drive and incorrect coat texture.

SPECIAL BEGINNERS DOG (5)

1ST Poultney's Jobanker Rocky Road. Masculine head with scissor bite, thin ears and correct placement. Nice outline when stacked but tended to flatten on the move.

2ND Annable's Sarmarblue Night Shadow. Masculine dog with nice big teeth. Coat very light in colour and too soft. Moved OK

PUPPY DOG (2)

1ST Hanes's Janmark Man In The Middle. Nearly 9 months of age and hopefully doesn't grow on anymore. He has a long lean head with correct scissor bite, due to his young age he is quite loose in his movement but moved well for his young handler.

2ND Lacey's Bowlingbrook Hummingbird. Coming up to 12 months of age and seems to be going through the leggy stage. His coat is just starting to come through. Nice masculine head. Moved close behind.

YEARLING DOG (3)

1ST Bannister's Miteymidgets Modern Love JW. Quality young dog. Good size and shape with correct shoulder placement and rise over the loin. Masculine head with lovely dark eyes. Moved well. Very worthy DCC winner.

2ND Gillies's Travellerways Finlay. Masculine dog that needs time. Nice size but tended to over arch his back due to being a little uneasy in the ring. Moved OK

POST GRADUATE DOG (3 – 1 abs)

1ST Poultney's Jobanker Rocky Road 2ND Annable Samarblue Night Shadow

LIMIT DOG (3 – 1abs)

1ST Pollard & Barrowcliffe's Jobanker Iron Icon. 4 year old masculine blue dog with strong head, dark eyes and good teeth, a little short of coat but of good colour and texture. Moved OK in front but close behind.

2ND Bridgeman's Tcheria Tchorister. 6 year old blue dog with strong head, good bone but needs more roadwork to improve overall fitness. Moved OK but close behind.

OPEN DOG (4)

1ST Middlebrook's Ch Tcheria Tcharleston. Extremely masculine 6 year old blue dog shown in good condition. Strong head, good clean teeth and fine ears. Coat of both wonderful colour and texture He moved well in this class and I did consider him for the DCC but he seemed unsettled in the challenge.

2ND Bannister's Miteymidgets New Vision JW. Masculine young blue dog with large teeth. Dark jacket with correct texture. Strong head but I'd prefer slightly longer foreface. Moved with drive.

VETERAN DOG (1)

1ST Hewitt-Taylor's Mollora Red Kite For Tobanie. 7 year old Liver dog. Up to size but balanced. Wedged shaped masculine head with large clean teeth. Thin ears with correct placement. Coat of good colour and texture. I'd prefer slightly more depth of chest but despite the fact that he stood alone, he was still very much deserving of the RDCC.

SPECIAL BEGINNERS BITCH

1ST Spiller & Spiller's Tunman Tip Top At Joysview. Very feminine young lady with sweet expression. Shown in a lovely dark jacket. Good length to height ratio, fine boned. Moved well. Best Special Beginner – I was pleased to learn that she went onto win Group 3 in the Special Beginners Group too.

PUPPY BITCH

1ST Harris & Cleaver's Ratzwell Jolly Jubilee. Nice sized, feminine blue bitch that is just coming up to 12 months of age. Good head with correct bite. Coat just starting to come through. Moved with drive. I think she'll have a bright future. Best Puppy and Reserve Bitch Challenge Certificate. - I was pleased to learn that she was shortlisted in the Terrier Puppy Group too.

2ND Alders & Bridgeman's Bisbee Bolt From The Blue. Just 6 months old and attending her first show. She enjoyed her time in the ring and played her handler up slightly, but this is to be expected at her young age. Nice compact size with correct placement of rise over her loin. Movement a little erratic but she did enough for me to assess that everything is coming together nicely.

JUNIOR BITCH

1ST Harris & Cleaver's Ratzwell Jolly Jubilee

YEARLING BITCH

1ST Middlebrook & Middlebrook's Tcheria Sweet Tcharity. Good sized feminine bitch shown in a beautiful dark jacket with the correct texture. Good angulation both front and rear but she was extremely unsettled in the hall today.

2ND Scott & Scott's Janmark Je Ne Sais Pas Avec Micklevew. Feminine bitch of nice size. Longer cast than first but also wearing a jacket of good colour, just a little too short. Difficult decision between these two but I preferred the rear movement of 1st.

POST GRADUATE BITCH

1ST Harris & Cleaver's Ratzwell Jolly Jubilee

2ND Doble's Sarmarblue Shadow Follow Me. Blue Bitch celebrating her 2nd birthday. She is womanlike but remaining feminine. Well muscled and could easily do a days work in the field. Up to size but balanced.

LIMIT BITCH

1ST Hewitt-Taylor's Rathrigg Rosabella For Tobanie. Correctly sized blue bitch sporting a beautiful dark jacket of good texture. She oozes femininity and is well balanced. Correct angulation both front and rear. Moved well and with drive. I was pleased to award her the Bitch Challenge Certificate and Best of Breed. I'm sure more will come.

2ND Moore & Chudleigh's Devleigh Dirty Dancing. Nice size feminine bitch. Well presented but coat a bit too soft. Good front angulation but moved a little close behind.

OPEN BITCH

1ST Scott & Scott's Ch Janmark Just Do It. Three and a half year old feminine bitch of nice size. Good length to height ratio and sporting a lovely blue jacket. Correct front and moved well. I did consider her for the R.B.C.C.

2ND Spiller & Spiller's Tunman Tip Top At Joysview

VETERAN BITCH

1ST Bannister's Ch Miteymidgots Going Global JW sh.cm VW. Good sized 9 year old blue bitch. Very feminine with correct front and rear angulation. Moved very well and I was pleased to award her Best Veteran and that she went on to win Group 2 in the Veteran Group.

2ND Jones' Tcheria Tydfil Of Pengerrig. Different type to first but shown in a beautiful dark coat with the correct texture. Long lean head with correct bite. I'd prefer a little more length to croup but she moved well with the desired springy movement.
